WORK EXPERIENCE

ISI (Interior Systems INC) , Milwaukee, WI

Interior Designer, *June 2007-July 2009*

Creation of full interior remodel construction documents for quick serve restaurants including Hardee's, Carl's Jr (CKE) and KFC (Yum Brands):

- Schematic design phase including preliminary space planning options, finish placement recommendations, lighting layouts and solutions, elevations, furniture and décor details, material specifications and client presentation books
- Compliance with ADA and local/state codes
- Design development phase including the refinement of customer approved preliminary design and creation of final design construction documents including custom furniture and décor installation instructions

Creation of interior remodels of mixed use cafeteria spaces in K-12 educational facilities:

- Develop floor plan layouts that maximize student capacity and create clear traffic patterns
- Research and selection of interior finishes, furnishings, custom artwork and building signage
- Fabrication of finish and material boards
- Creation of client presentation books including rendered floor plans, elevations and details
- Review and complete final construction documents including installation instructions for furniture and custom artwork/signage

Podany's Office Furniture, Brookfield, WI

Intern, *July - September 2006*

- Assist with furniture placement in commercial showroom
- Organization of showroom accessories and decor
- Planning of residential office layouts
